Subject: "Adopting a New Year Spiritual Resolution" Part IV

Introduction: According to the History Channel Network, "the ancient Babylonians are said to have been the first people to make New Year's resolutions, some 4,000 years ago. They were also the first to hold recorded celebrations in honor of the New Year – though for them the year began not in January, but in mid-March, when the crops were planted. For early Christians, the first day for the New Year became the traditional occasion for thinking about one's past mistakes and resolving to do and be better in the future."

Adopting a New Year Spiritual Resolution is about making more of a commitment to becoming more spiritually connected to God than ever before. In the process of adopting spiritual resolutions, practical and attainable goals must be put in place in order for the process to be effective. Over the next several weeks, biblical passages will be used to assist us in adopting our spiritual resolution

Scriptures: Philippians 2:12-18

Points to Ponder: Paul's spiritual resolution advice is...

- to grumble and argue as less as possible.

- don't allow the world to prevent you from shining.

- find a reason to rejoice no matter what.
