Subject: "Living My Best Life"

Scriptures: Hebrews 11:6

"And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him."

Introduction: Many people have coined the phrase "I'm living my best life". However, what does this actually mean? I would suspect this phrase will mean something different for each one of you. There is no doubt that everyone would like to achieve some level of wealth, success, and happiness to feel that you are living your best life. Moreover, is achieving wealth, success, and happiness, living your best life? In Hebrews 11:6, we are reminded of the rewards for seeking God.

Points to Ponder:

1. How have you been attempting to pursue your "best life"? In what ways has this pursuit neglected or omitted the pursuit of a relationship with God?
2. How do you think your life will improve when you seek to have a better relationship with God?
