Subject: "The Benefits of Hope" (What hope will do for you?)

Introduction: Hope according to "Baker Encyclopedia of the Bible" is, "an expectation or belief in the fulfillment of something desired. Present hurts and uncertainty over what the future holds create the constant need for hope. Worldwide poverty, hunger, disease and human potential to generate terror and destruction create a longing for something better. Biblical hope is what God will do in the future."

The prophet Isaiah explains in Isaiah 40:30-31 some of the ramifications of hope. Isaiah offers the reader "The Benefits of Hope."

Scriptures: Isaiah 40:30-31

Points to Ponder: The benefits of hope are...

- it will give you strength.

- it will allow you to soar.

- it will allow you to run and walk.
